

Join us at Chigwell Row
for a Baden-Powell Adventure
“Up in the Air”

23 - 24 March 2018 or 24-25 March 2018 Cost: £80

Come prepared for an overnight adventure with an “Aerial” theme

You will need a head for heights as we hope to include a flight in a light aircraft, Zip Line, make a glider, star gazing, Bat Hunt, some craft activities and much more.

The light aircraft flight will take place at a local airfield and will only take place if the weather conditions are suitable and we will be guided by the airfield on this. Should we not be able to fly then an alternative activity will be available.

We will also take part in some of the many activities on site at Chigwell Row such as Zip Line, take part in the great up in the sky wide game and plenty more to keep you occupied for the whole time you are here!

You should expect to try something new, meet and mix with other Guides from outside your unit, take part in challenging and fun activities as well as celebrating your time in Guides and looking forward to what you can do next.

You can come on your own or as a small group but you will be encouraged to mix with other girls. No more than 4 girls per unit on each night.

Please note that there are two separate adventures one will run from 7pm Friday - 8pm Saturday the other from 10am Saturday -11am Sunday. (Times are approximate and will be confirmed nearer the date)

If you would like to take part in this adventure then all you need to do is to complete the attached form and return it to us with a cheque for £80. Cheques should be made payable to “Girlguiding Laser Chigwell Row”

You will need to get your Leader to sign the form to say that you have completed or nearly completed 10 of the clauses from the Baden- Powell Challenge Award.

We will then let you know that you have a place on the adventure, or that you are on the reserve list if by chance the adventure is full. Full information including consent form, kit list and health form will be sent to you nearer the time. If you have any further questions then please ask us and we will try to help.
